

# Can N Hand

## PORTABLE GARBAGE CAN

Can-N-Hand is as simple as 1-2-3! This product is designed to **easily flex**, fitting various plastic or paper bags ranging from 33 to 55 gallons.

**Step 1** Hold Can-N-Hand by the two end handles and fold.

**Step 2** Slide it into the bag with the top handle sticking out for easy access.

**Step 3** Fill the bag with debris by hand or using a rake to transfer debris into Can-N-Hand.

**Step 4** When finished, simply grab the handle and pull Can-N-Hand out of the bag.
